

Curriculum Vitae
Mousa Issa Shamonki, M.D.

Personal Data

Address: Work Fertility and Surgical Associates of California
325 Rolling Oaks Drive, Suite 110
Thousand Oaks, CA 91361
Office: (805) 778-1122 Fax: (805) 778-1199
Email mshamonki@gmail.com or fertmd@yahoo.com

Medical Licenses: California #A95374 May 05, 2006 – Present
New Jersey #25MA07934900 June 22, 2005 – June 30, 2007
New York #224537 April 22, 2002 – April 30, 2007
Vermont #060-0002460 June 23, 1998 – June 22, 2002

Board Certification

#9006220 Diplomate of the American Board of Obstetrics and Gynecology
Issue Date: December 9, 2005
Maintenance of certification: Active

Subspecialty Certification in Reproductive Endocrinology and Infertility
Issue Date: April 10, 2008
Maintenance of certification: Active

Professional Experience

2007 - 2013 Director, In Vitro Fertilization and Assisted Reproduction
UCLA Fertility and Reproductive Health Center
Division of Reproductive Endocrinology and Infertility
Department of Obstetrics and Gynecology

UCLA Fertility and Reproductive Health Center
200 Medical Plaza, Suite 220
Los Angeles, CA 90095
Office: (310) 825-9500

2012 - Present Fluoroscopy Supervisor and Operator

2013 - 2023	Associate Clinical Professor in Reproductive Endocrinology and Infertility UCLA Fertility and Reproductive Health Center The David Geffen School of Medicine at UCLA Department of Obstetrics and Gynecology 10833 Le Conte Ave, 22-144 CHS
2012 - Present	Board Member, Pacific Coast Reproductive Society
2006 - 2013	Assistant Clinical Professor in Reproductive Endocrinology and Infertility UCLA Fertility and Reproductive Health Center The David Geffen School of Medicine at UCLA Department of Obstetrics and Gynecology 10833 Le Conte Ave, 22-144 CHS Los Angeles, CA 90095
2005 - 2006	Attending in Reproductive Endocrinology and Infertility Reproductive Medicine Associates of New Jersey 111 Madison Avenue, Suite 100 Morristown, NJ 07960
2002 - 2005	Fellow in Reproductive Endocrinology and Infertility The Center for Reproductive Medicine and Infertility, Weill Medical College of Cornell University (CRMI) 505 East 70 th Street, HT-3 rd Floor, New York, NY 10021
1998 - 2002	Faculty Position as Clinical Instructor University of Vermont College of Medicine/Fletcher Allen Health Care 111 Colchester Avenue, Burlington, VT 05401

Postgraduate Medical Education

1998 - 2002	Resident in Obstetrics and Gynecology, completed June 2002 University of Vermont College of Medicine/Fletcher Allen Health Care 111 Colchester Avenue, Burlington, VT 05401
-------------	---

Medical Education

1994 - 1998	University of Vermont College of Medicine (UVM) 89 Beaumont Avenue, Burlington, VT 05405 Medical Degree, May 1998
-------------	---

Undergraduate Education

1989 - 1993 University of California, Los Angeles (UCLA)
Bachelor's in Science, Biology, June 1993
405 Hilgard Ave, Los Angeles, CA 90095

Hospital Privileges

2013 – Present Los Robles Regional Medical Center
215 W. Janss Road, Thousand Oaks, CA 91360

2006 - Present UCLA Medical Center
10833 Le Conte Ave, Los Angeles, CA 90095

2006 Morristown Hospital
100 Madison Avenue, Morristown, New Jersey 07962

2002 - 2005 New York Presbyterian Hospital – Cornell Campus
525 East 68th Street, New York, NY 10021

1998 - 2002 Fletcher Allen Health Care
111 Colchester Avenue, Burlington, VT 05401

Honors and Awards

2012 The Leading Physicians of the World - Top Obstetrician/Gynecologist in
Los Angeles, CA awarded by The International Association of
Obstetricians & Gynecologists

2008 - 2012 America's Top Doctors Obstetrics and Gynecology

2008 Patients' Choice Award

2002 June Best resident research presentation
University of Vermont College of Medicine/Fletcher Allen Health Care

2002 June American Association of Gynecologic Laparoscopists Award
Best resident surgeon in minimally invasive surgery
University of Vermont College of Medicine/Fletcher Allen Health Care

2000 Jan - Feb Best resident teacher in obstetrics and gynecology
 Jul - Aug University of Vermont College of Medicine/Fletcher Allen Health Care
 Sep - Oct
1999 Jan - Feb

1998	May	Carvee Award for excellence in obstetrics and gynecology University of Vermont College of Medicine
1998	May	Phi Beta Kappa awarded as a medical student University of Vermont College of Medicine
1997	April	Alpha Omega Alpha as a 3 rd year medical student University of Vermont College of Medicine
1993	June	Dean's List, University of California, Los Angeles

Research Experience

2011	Epigenetic differences in fat cells between patients with and without PCOS
2005	Mouse oocytes reconstituted with somatic or germ cell nuclei, under Gianpiero Palermo, MD, and Takumi Takeuchi, MD, CRMI
2003 - 2005	Examination of immunohistochemical expression of the L-selectin ligand on receptive human endometrium and its relationship to pregnancy outcome, under Isaac Kligman, MD, Steven Spandorfer, MD, and Zev Rosenwaks, MD, CRMI
2004 - 2005	Prospective analysis on the benefit of ultrasound-guided trial transfer in preparation for an <i>in vitro</i> fertilization cycle, under Glenn Schattman, MD, CRMI
2004 - 2005	Case-control analysis on the influence of male factor infertility on the progression of day-3 embryos to blastocyst, under Pak Chung, MD, CRMI
2002 - 2003	Prospective analysis of ultrasound-guided embryo transfer and the accuracy of trial transfer, under Steven Spandorfer, MD, CRMI
2002 - 2003	Retrospective analysis of the success of low-dose gonadotropin step-up protocol during ovulation induction for the PCOS patient, under Steven Spandorfer, MD, CRMI
1998 - 2000	Comparison of laparoscopy with laparotomy for the treatment of endometrial cancer, under Gamal Eltabbakh, MD, Division of Gynecologic Oncology, UVM
1997	Analysis of long-term outcome of endometrial ablation for menometrorrhagia, under Cynthia Sites, MD, Department of Obstetrics and Gynecology, UVM
1993 - 1994	Investigation of the effects of alpha-bungarotoxin on brain and muscle acetylcholine receptors in the frog oocyte, under Ricardo Miledi, MD, PhD, Department of Neurobiology, University of California, Irvine (UCI)

- 1992 Examination of a new cell ablation technique on the eye disc of *Drosophila* larvae *in vivo*, under Utpal Banerjee, PhD, Department of Genetics, UCLA
- 1991 Exploration of the effects of adenosine on the *in utero* brain of fetal sheep via microdialysis, under Brian Koos, MD, PhD, Department of Obstetrics and Gynecology, UCLA
- 1990 Vascular effects of chemicals and hormones in *Rattus*, performed catheterization of the rat carotid artery and femoral vein, under Gautum Chaudhuri, MD, PhD, Departments of Obstetrics and Gynecology and Pharmacology, UCLA

Memberships

- 2006 - pres Fellow of the American College of Obstetricians and Gynecologists
- 2005 - pres Diplomate of the American Board of Obstetrics and Gynecology
- 2002 - pres American Society of Reproductive Medicine
- 2002 - pres Society of Reproductive Endocrinology and Infertility
- 2002 - 2006 American Academy of Gynecologic Laparoscopy
- 1998 - 2006 Junior Fellow American College of Obstetricians and Gynecologists
- 1994 - 1998 American Medical Student Association
- 1994 - 1998 American College of Physicians
- 1994 - 1998 American Academy of Family Physicians

Publications

Research Papers

1. **Shamonki MI**, Squatrito RC, Welander CE. Advanced ovarian carcinoma presenting with a cerebrovascular accident. *Gynecol Oncol* 1998;70(2):300-2.
2. **Shamonki MI**, Ziegler WF, Badger GJ, Sites CK. Prediction of endometrial ablation success according to perioperative findings. *Am J Obstet Gynecol* 2000;182(5):1005-7.

3. Eltabbakh GH, **Shamonki MI**, Moody JM, Garafano LL. Hysterectomy for obese women with endometrial cancer: laparoscopy or laparotomy? *Gynecol Oncol* 2000;78(3):329-35.
4. Eltabbakh GH, **Shamonki MI**, Moody JM, Garafano LL. Laparoscopy as the primary modality for the treatment of women with endometrial carcinoma. *Cancer* 2001;91(2):378-87.
5. **Shamonki MI**, Spandorfer SD, Rosenwaks Z. Ultrasound-guided embryo transfer and accuracy of trial transfer. *Hum Reprod* 2005;20(3):709-716.
6. **Shamonki MI**, Oktay K. Oocyte and ovarian cryopreservation: indications, techniques, and applications. *Semin Reprod Bio* 2005;23:266-76.
7. Sonmezer M, **Shamonki MI**, Oktay K. Ovarian tissue cryopreservation: benefits and risks. *Cell Tissue Res* 2005;322:125-32.
8. **Shamonki MI**, Schattman GL, Spandorfer SD, Chung PH, Rosenwaks Z. Ultrasound-guided trial transfer can be beneficial in preparation for an in-vitro fertilization cycle. *Hum Reprod* 2005;20:2844-9.
9. **Shamonki MI**, Kligman I, Shamonki JM, Schattman GL, Hyjek E, Spandorfer SD, Rosenwaks Z. Immunohistochemical expression of endometrial L-selectin ligand is higher in donor egg-recipients with embryonic implantation. *Fertil Steril* 2006;86:1365-1375.
10. Glujovsky D, **Shamonki MI**, Bergh PA. Embryonic synergism may reduce pregnancy loss: a multivariate regression analysis. *Fertil Steril* 2007;87:509-14.
11. **Shamonki MI**, Frattarelli JL, Bergh PA, Scott RT. Logarithmic curves depicting initial level and rise of serum beta human chorionic gonadotropin and live delivery outcomes with in vitro fertilization: An analysis of 6021 pregnancies. *Fertil Steril* 2009;91:1760-4.
12. Amin M, Cho M, **Shamonki M**. Establishment of a Successful Pregnancy and Term Delivery Following Ovulation Induction with a Maximum Endometrial Thickness of 3 mm. *J Fert In Vitro* 2012;2:5.

Research Publications in Submission

1. Amin M, Cho M, **Shamonki MI**. Case Report: Live term birth after vanishing monozygotic twin. Submitting for publication.

Book Chapters

1. Conway DA, **Shamonki MI**. Diagnosis and Management of Infertility Due to Diminished Ovarian Reserve. Infertility 2011. Ed. Seli E.
2. Conway DA, **Shamonki MI**. Ectopic Pregnancy: Diagnosis and Management. Women's Health Review: A Clinical Update in Obstetrics-Gynecology 2012. Eds. Di Saia, Chaudhuri, Giudice, Moore, Porto, Smith.
3. Shamonki MI, Nelson AL, Gambone J. Ectopic Pregnancy. Hacker and Moore's Essentials of Obstetrics and Gynecology 2011. Eds. Hacker, Gambone, Hobel.

Book Chapters in Preparation

1. Shamonki MI. Tubal and Uterine Abnormalities That May Impact Outcomes in In Vitro Fertilization. In progress. Book title to be decided. Ed. Rapkin A.

Research Publications in Preparation

1. Wambach CM, **Shamonki MI**, Glujovsky D, Miller KA, Bergh PA. Day-3 embryo morphology and progression to blastocyst: an analysis of 34,708 embryos. In preparation for Fertility and Sterility.
2. Cook HM, Levin O, **Shamonki MI**, Bonser B, Bergh PA. Fresh embryo transfer verses freeze-all cycle with subsequent embryo thaw and transfer in women undergoing their first in vitro fertilization (IVF) cycle: do pregnancy outcomes differ? In preparation for Fertility and Sterility.
3. Conway DA, Ketefian A, **Shamonki MI**. Chronic endometritis: a common finding in good prognosis patients with failed implantation following in-vitro fertilization. In preparation for Fertility and Sterility.

Abstracts and Presentations

1. Ziegler W, **Shamonki MI**, Badger G, Sites CK. Factors predicting the success or failure of endometrial ablation. American College of Obstetricians and Gynecology Annual Meeting, May 1998.
2. **Shamonki MI**, Ziegler WF, Badger GJ, Sites CK. Prediction of endometrial ablation success according to perioperative findings. American College of Obstetricians and Gynecology District I Conference, Burlington, VT, September 1999.

3. Eltabbakh GH, **Shamonki MI**, Moody JM, Garafano LL. Laparoscopy as the primary modality for management of women with endometrial cancer. *Gynecologic Oncology* 2000; 76: 233-4 (Abstract #14).
4. **Shamonki MI**, Spandorfer SD, Roberts JE, Rosenwaks Z. Ultrasound-guided embryo transfer: Does it improve IVF success? *Fertil Steril* 2003; 80(3):127-8. ASRM in San Antonio, TX, Oct. 2003.
5. **Shamonki MI**, Spandorfer SD, Fasouliotis SJ, Rosenwaks Z. Low-dose gonadotropin step-up protocol is highly successful for the PCOS patient. *Fertil Steril* 2003; 80(3):171. ASRM in San Antonio, TX, Oct. 2003.
6. Roberts JE, Spandorfer SD, Fasouliotis SJ, **Shamonki MI**, Rosenwaks Z. Follicle Stimulating Hormone (FSH) secreting pituitary adenoma causing spontaneous ovarian hyperstimulation syndrome. *Fertil Steril* 2003; 80(3):271-2. ASRM in San Antonio, TX, Oct. 2003.
7. **Shamonki MI**, Rosenwaks Z. Prevention of ovarian hyperstimulation syndrome. Syllabus for postgraduate course at ASRM in San Antonio, TX, Oct. 2003.
8. Fasouliotis SJ, Galindo A, Kashyap S, Spandorfer SD, **Shamonki MI**, Rosenwaks Z, Schattman GL. Prospective analysis of the predictive value of day 3 antral follicle count and ovarian volume In-Vitro Fertilization (IVF) cycles. ESHRE Madrid June 2004.
9. **Shamonki MI**, Kligman I, Schattman GL, Shamonki JM, Zaninovic N, Rosenwaks Z. Presence of the L-selectin ligand by immunohistochemistry is significantly lower on the endometrium obtained from donor egg-recipients who fail to conceive. ASRM in Philadelphia, PA, Oct. 2004.
10. **Shamonki MI**, Kligman I, Spandorfer SD, Shamonki JM, Zaninovic N, Rosenwaks Z. Immunohistochemical staining characteristics of the L-selectin ligand in hormonally programmed and natural cycle luteal endometrium. ASRM in Philadelphia, PA, Oct. 2004.
11. **Shamonki MI**, Thompson S, Chung PH, Spandorfer SD, Veeck LL, Rosenwaks Z. The influence of male factor infertility on the progression of day-3 embryos to blastocyst: a case-control study. ASRM in Philadelphia, PA, Oct. 2004.
12. **Shamonki MI**, Spandorfer SD, Chung PH, Rosenwaks Z, Schattman GL. Ultrasound-guided sounding may be of benefit in preparation for an *in-vitro* fertilization cycle. ASRM in Philadelphia, PA, Oct. 2004.
13. Zaninovic N, **Shamonki MI**, Park J, Spandorfer SD, Veeck LL, Rosenwaks Z. Detection of L-selectin and its ligand on human endometrial cell cultures in vitro. ASRM in Philadelphia, PA, Oct. 2004.
